The Parents/Carers of Students in Year 9

Dear Parent/Carer

**Engineering Week - Tuesday 11 October 2016**

All year 9 students have been given the opportunity to visit the Spa in Scarborough to participate in the Engineering Week Exhibition on Tuesday 11 October 2016. This is a valuable opportunity to discover the many varying and exciting careers STEM (Science, Technology, Engineering and Maths) subjects can lead to.

The event organisers are keen to promote careers available in Science, Technology, Engineering and Maths and show just how exciting technology can be. The local experts and business leaders from our region will be bringing along some of the latest technology being used in business today, including robots, virtual reality kits, 3D technology etc, giving students the chance to have 'hands on' experience. The trip is funded by NYBEP and will be free of charge. Insurance for the trip will be provided by CYPs NYCC School Journey Insurance.

Students must wear full school uniform. We will be travelling by coach, provided by Shoreline SunCruisers, leaving school at 8.50am and returning at 11.00am.

If your child would like to participate in this event, please complete the reply slip below and return it to Student Services at the school no later than Wednesday 5 October 2016.

Yours faithfully

J Bilton (Mrs)  
**Careers, Advice & Guidance**

-----  
Name of Student: \_\_\_\_\_

I give my consent for my child to participate in the trip to The Spa for Engineering Week on Tuesday 11 October 2016

I have completed the Trips and Visits Form attached.
