

Careers Information Advice and Guidance (CIAG)

Welcome to the **George Pindar School** Careers Information Advice and Guidance.

This is where you can find impartial careers advice and information, dates for open days and events, links to education providers plus much more.

At George Pindar School we provide a comprehensive programme of careers education information advice and guidance. Our Careers Office is packed with prospectuses and guides and you are welcome to visit as many times as you wish. You are also able to have small group or one-to-one meetings with Mrs Joanne Bilton our full time, qualified Careers Adviser.

During your time at GPS you will receive information and guidance regarding:

- The vast range of Careers available for young people today
- Further Education
- Higher Education
- Apprenticeships
- Work Experience
- Option choices
- Volunteering
- CV Writing
- Interview Techniques
- Using 'U-Explore'
- Trips & Visits giving you the opportunity to make informed decisions about your future
- Post-16 Open Evenings & Events

Throughout the year we also hold career related lessons during our Cultural Studies programme, actively involving Colleges, Training Providers, Universities, Local Employers and ex-George Pindar Students.

We also hold large events such as our very popular 'Next Steps Careers Evening', Year 10 Work Experience, Speed Networking with Industries and Mock Interviews with Local Employers to name just a few.

If you are an ex-GPS student or a local employer and would like to be part of our 'Inspiration Team' please get in touch, we would love to hear from you.
