

25 October 2018

Dear Parent/ Carer

As we are now fast approaching our ski trip, I have a few updates and reminders for you.

Firstly, just a reminder that the final payments of our ski trip are now overdue and will need paying via Parent Pay or directly to Mrs O'Neill in school immediately.

An update of our Departure Date

The departure date of our ski trip has been slightly altered to **Saturday 13 April 2019** returning **Saturday 20 April 2019**. This will mean that instead of leaving after school on the Friday we can now depart on Saturday 13 April for our long journey on the coach. The final departure times are still to be confirmed by the travel company and as soon as we know a meeting will be held to inform you of these and answer any questions you may have.

Passports/Brexit

At this point in time with the uncertainty of Brexit it is important for you all to check your son/ daughters passport. Their passport will require at least 6 months on it in order to travel. Passport details will need to be checked with school. Therefore, can all passports be brought into school to be checked by Mrs O'Neill during the first week after half term (before Friday 9 November).

Kit List

With Christmas and sales approaching just a reminder your son/daughter will require the following equipment for the ski trip:

Ski Jacket
Ski Trousers
Thermals/t-shirts
Tracksuit top/ hoodie/thin fleece/ jumper
Thick Snow Gloves
Ski Socks
Ski Goggles/ sun glasses
Sun Block

If you have any further questions please do not hesitate to contact me.

Yours sincerely

Lucy Wilson
Trip Leader
